RE: November 2011 Monthly Report

During the month of November, the West Lafayette Police Department received **1958 calls for service**, a decrease of 407 calls (17%) from October, and an increase of 104 calls (6%) from November 2010.

In November, there were two Purdue home football games. Officers responded to 349 calls for service during these two game weekends and incarcerated 18 people, mostly for alcohol related offenses.

A good number of WLPD officers attended training this past month, including a cultural competency workshop hosted by the West Lafayette Human Relations Commission and a terrorism seminar hosted by the Purdue University Police Department.

Department programs to report on for the month of November include, completion of a Rape Aggression Defense (RAD) class for twenty women and a drug take back day where 251 people dropped off **over 320 lbs of drugs** to be destroyed. This was by far the largest amount of drugs ever collected during a single monthly take back day at the department.

Respectfully submitted,
